Credit!

Thanks for all the kind inquiries... must be true after all... absence makes the heart grow fonder... Feels good to be back on the job... after a week's hiatus... from either... a household... caused by the leaving of our beloved housekeeper... Switzerland... Make us nostalgic... just a year ago we were flying to New York on route to England and the Continent... Truly if you gotta go... Switzerland's the place to go!

Supposed to tell you about Credit today... Credit may best be defined as something when you haven't got it... you sure wish you had... And sometimes it seems you've got least of it when you need it most... Like the man who met his friend on the street... "Hi, Bill, you're not looking well... Is something wrong?" There certainly is... replied Bill... I've had to give up drinking smoking and playing the horses... "Gee it must be serious," exclaimed Jim... But your reforming is certainly to your credit... That's just where you're wrong," snapped Bill... "It's all due to my lack of credit!"

Anyway, reformed or not, your credit is good at SAM LEVY DEPT. STORE! Just got a fistful of information from Philomena Davis, efficient Gal Friday of the SAM LEVY STORE office... Says Phil... "Our Credit Plan is good for the whole family... Mom, Pop, Junior and Junior Miss! Here are the facts... all of benefit to our customers."

1. Charge accounts are for \$5.00 or 50 days... all with no carrying charges, no service charges... 90-day charges are payable one-third each month... again with no carrying charges!

2. SAM LEVY DEPT. STORE is a member of the National Retail Credit Association... Your credit is guarded as a sacred trust!

3. Opening a charge account is simple... see me (Philomena Davis) or Irene Hantz in the office... If you've lived in the area for a year and have four credit references, credit will probably be available at once.

4. Sam Levy didn't use to send out statements... thought people might be insulted... but we gain have convinced him it's just good business procedure... and no one will feel hurt... our Charge Customers get a monthly notice... and everybody's happy!"

Women's Side
For cash or credit... you'll want a coordinated outfit... get from Sam Levy's... Skirts, slacks, belts, bags and shoes... all in pretty pastel colors for pre-fall styling you!

"Catalina... what does the name mean to you?" A charming island not far off-shore... More than that, gals... "Catalina" this season means the most glamorous line of bathing suits and play clothes in many a sun-baked day! Come to the Store and see!

Men's Side
What's a sport shirt... not a sport shirt? When it can double as a dress shirt... like the good-looking McGreggor... we've got at the Store... This one is a subtle... the check or plain... with buttons... easy... and... above the... and... Cool... and... Show... real... best... in... sports... in... and... and...

Our Side
What's the good of a charge account? Why stock in fresh and new, and all these are available... you get what you want when you want it... Pay later... with no extra charges attached... It's just one of the reasons for shopping here at home... especially at SAM LEVY DEPT. STORE... Naturally!

Jack O' Cain Named To Dean's Honor List

Jack O' Cain, graduate of Torrance High School and now a senior at the University of California at Santa Barbara, has been named to the dean's list for honor students.

O' Cain is a physical education major at the school.

Spring Concert Dates Revealed

The Torrance High School department of music is now in the finishing stages of preparation for the second annual Spring Concert to be presented at the high school auditorium Friday night, May 4th, at 8:15 o'clock.

The program will be presented entirely by organizations of the High School music department, which include the Tartar Choir, Concert Band, Girls' Glee Club, Orchestra, and special ensembles. The show promises an evening of entertainment for both young and old, with a special emphasis and accent on spring.

The Tartar Choir and Girls' Glee Club, numbering 140 singers, will be heard separately during the course of the program. Through popular request, both organizations will combine with the Concert Band and will again perform the popular choral and instrumental extravaganza "American Panorama," as a finale to the concert.

The High School Concert Band and Orchestra will present groups of numbers specially designed for programs of this nature. Each organization has been active in school and civic functions throughout the year.

Through popular approval and success of the combined music programs last year, the second annual Spring Concert will mark the third appearance of the high school department, are codirectors of the program.

ELLINWOOD
Circus Day Slated Saturday At Ellinwood's Newton School

By JANET ROBINSON
FR 3-7063

We want to remind all Ellinwoodites and their friends to be sure and mark the Saturday on the calendar and be sure and bring the kiddies and come to the "Circus Day at Newton." There will be lots of prizes and fun for the kids and adults alike. Penny Parlor, the clown, and his animal circus will entertain at 1:30 and 2:30. The circus will be open on the school grounds all day from 10 to 5. Come and eat your lunch there. Hot dogs, pop, cotton candy, popcorn, cake, pie, cookies and many other tempting foods will be served.

Mary Ann Freeland, of Riviera Way, entertained a bridge group in her home last Wednesday. Peggy Revely took home the first prize. Others playing were...

Helen Hackbush along with four other officers of the women's auxiliary of Christ Church attended the third annual Women's Auxiliary Conference of the Diocese of Los Angeles at the El Mirador Hotel in Palm Springs on April 3 and 4. Approximately 400 women from Santa Barbara, San Diego, spent two days together in prayer, instruction, and fellowship. Helen reports a wonderful time was had by everyone.

Mr. and Mrs. Roland Rogers invited several neighboring couples in for a spaghetti dinner Saturday evening. After dinner the evening was spent playing Trippoli. Those invited were Mr. and Mrs. Joseph Frey, Mr. and Mrs. Wm. Bowman, Mr. and Mrs. John Wilhelm, Mr. and Mrs. Wm. Forrester, Mr. and Mrs. Samuel Pusich and Mr. and Mrs. Orville Robinson.

Buff Meek, of Newton Street, and her 9-year-old son, Cole, returned Wednesday from a spring vacation in Fort Wayne, Ind. They flew east and returned home by train. They enjoyed visiting family and friends and brought back Buff's cousin Loretta Comberford, for a visit here in California. Loretta's home is in Bunker Hill, Ind. Cole enjoyed his first plane trip, but he enjoyed the trip back even more because they traveled in a Domliner where he sat upstairs and looked over the countryside as he passed through. They saw lots of snow — it snowed in Indiana while they were there and there was lots of it in Nebraska and Wyoming, they reported.
